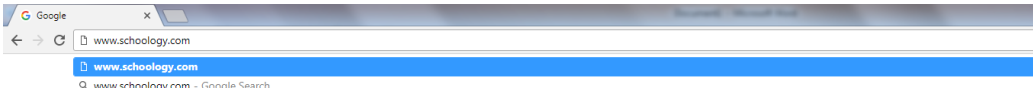
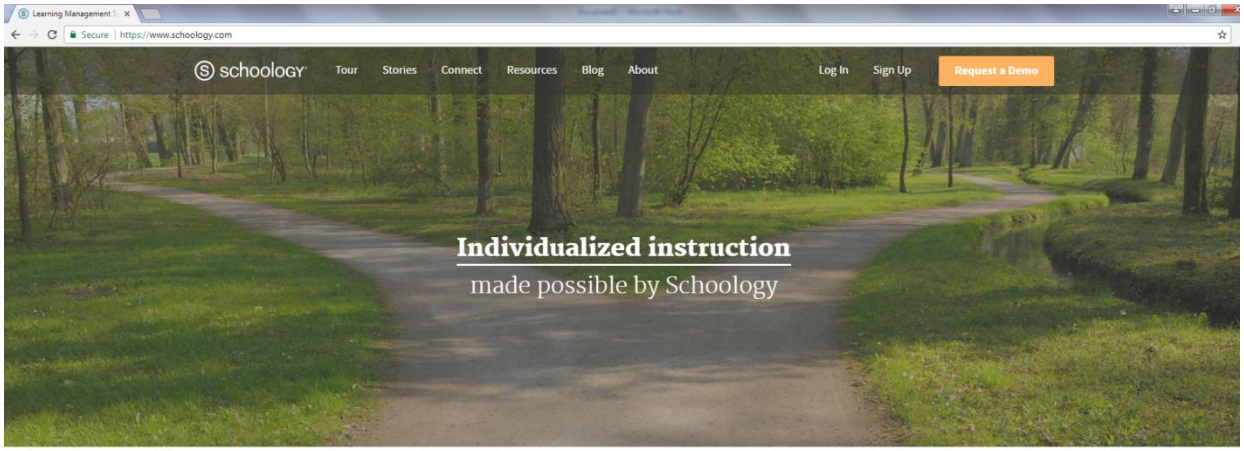
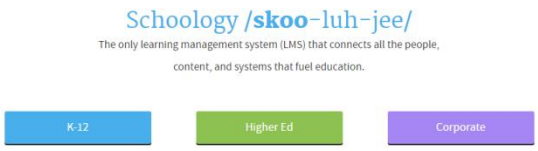
Schoology Tutorial

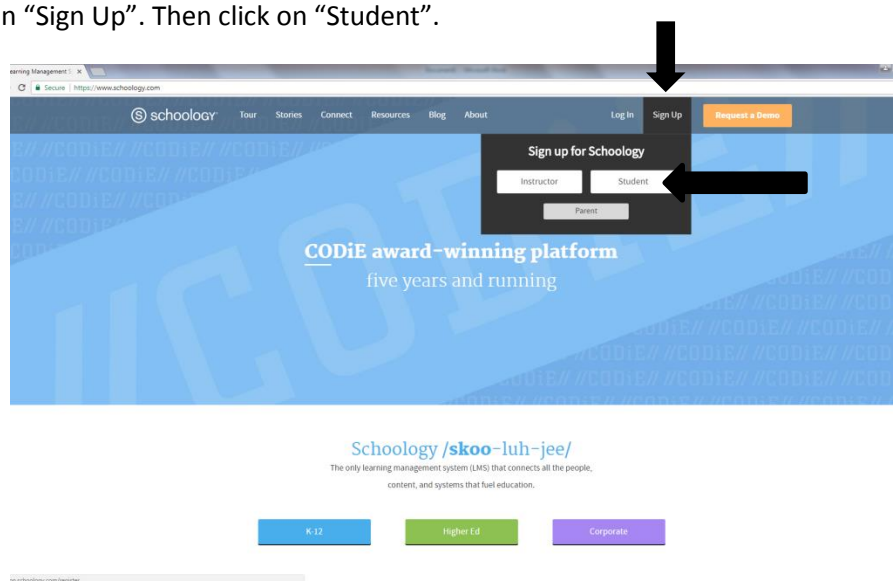
1. Go to www.schoology.com in your internet browser.



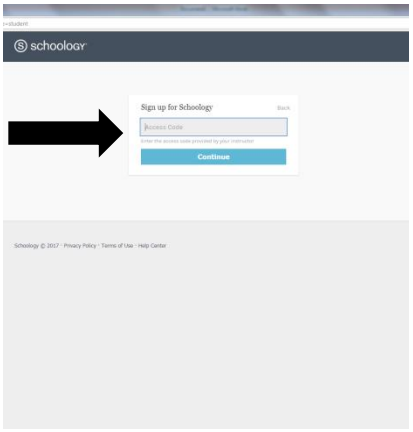




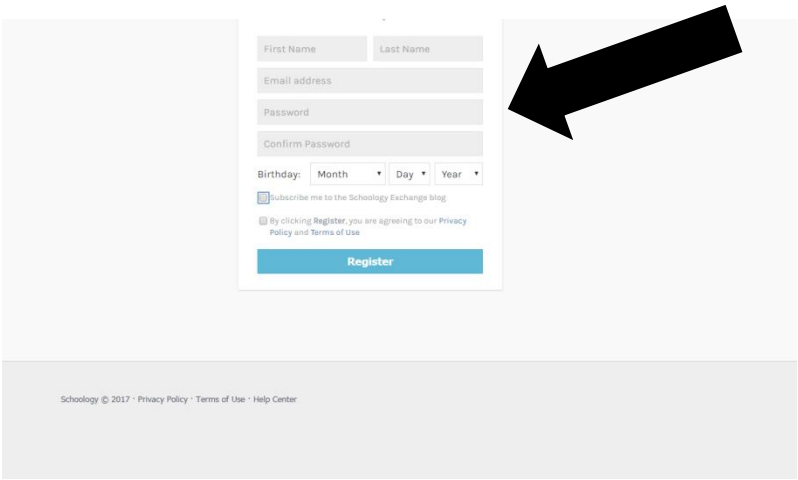
2. Click on “Sign Up”. Then click on “Student”.



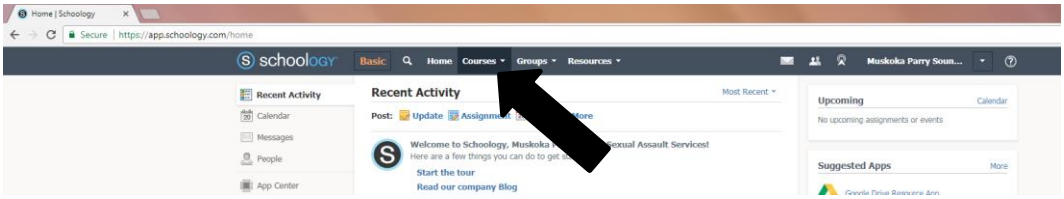
3. Now enter the access code provided for the course.



4. Next enter the information required to create a Schoology account (Name, email, birthday etc)



5. Once you have registered you should be enrolled in our training. To view the course, **Click the "course" menu in the top bar.**



6. Then click "Volunteer Training Section 1". You should now see the content of the course which divided up into to folders. Enjoy learning!

*Note: Every other time you log in you will not need to follow these steps. Instead on the Schoology homepage, click **"Log In"** instead of "sign up". Then enter your email and password (the password you created the first time you sign up—at step 4).*
